

How can we help Fuel the Future?

To meet the track team's promised commitment, we need to raise \$30,000 by December 31, 2011.

Kwik Trip gift cards are available to help with funding of the track renovations. Kwik Trip gives 10% of each purchase directly back to the track fund at no additional cost to you.

HOW DOES IT WORK?

- Use the attached order form to place your order. Include your personal and payment information.
- Submit the order form and payment to your FVL contact.
- Orders will be ready for pick up each Friday. Orders must be received by Wednesday to be filled the same week.

CAN I HELP WITHOUT PURCHASING KWIK TRIP CARDS?

- Absolutely! Please fill out the enclosed form and put the amount of your donation on the "Contribution to the FVL Track Fund" line.
- Submit the order form and payment to Mr. Alan Nolte.

You are invited!

Please come watch our first varsity meet on the new track on April 24, 2012!

THANK YOU FOR YOUR SUPPORT OF THE FVL TRACK AND FIELD PROGRAM AND FOR HELPING WITH OUR *FUEL THE FUTURE* EFFORTS!

GO FOXES!

It's a Race to Beat the Clock by December 31!

FUEL THE FUTURE

OF TRACK AND FIELD AT FOX VALLEY LUTHERAN HS!

Bringing needed renovations to FVL's Track facilities.

Needed Renovations

FVL has been blessed with an amazing facility which has been well-used over the last eleven years. While our school and grounds are still very new in many ways, our track is showing its age.

After over a year of study, it was decided to replace our current asphalt track with a rubberized artificial running surface. This all-weather surface will benefit the health of our athletes — reducing the risk of injuries. Another factor was the deteriorating condition of the track. To put off the renovation to the future would have meant significantly greater expense because of the need to replace both the asphalt and add the new rubberized surface. The facilities of all our other conference members now feature a similar all-weather surface.

These newly renovated facilities will give FVL the exciting opportunity to host major track events including Conference, Regional, and Sectional meets.

Improvements

- Resilient surface runways for all jumping and vaulting events
- New walkways on the south and northwest ends of the facility
- 9-lane resilient surface track
- New shot put sector area
- New jumping pits

Kwik Trip Gift Cards

Kwik Trip gift cards are available in \$25, \$50 & \$100 increments.

Added bonus

Some Kwik Trips honor the \$.04 Fleet Farm gas discount.

Delivery

Orders will be filled each Friday. Orders must be received by Wednesday to be filled the same week.
