Do remember what it was like to be fresh out of high school and looking to head off to college? I'd like to share with you a letter from one of our graduating seniors of the Class of 2021. Her words reflect hope and excitement and her thankfulness for the Christian education she enjoyed at FVL . . .

Dear fellow FVL graduate,

My name is Ava Rachoner—member of FVL's Class of 2021. As a student, **I was able to form great friendships with my classmates and develop wonderful connections with my teachers.**

Fox Valley Lutheran High School provided amazing academic challenges that stimulated my learning and changed my perspective of the world. **My Christian education at FVL has prepared me for the rest of my life and for the eternal life that I have through Christ.**

I participated in both athletics and cocurriculars. My involvement in Student Council, National Honor Society, Future Business Leaders of America, and the American Mentor Group helped me develop as a student leader. I was also part of bringing home a state title for the Cheer and Stunt team.

Working as a part of a team or student group taught me to listen to the perspectives of others and work towards solving problems for everyone's benefit. **I will never forget the sense of community these groups**

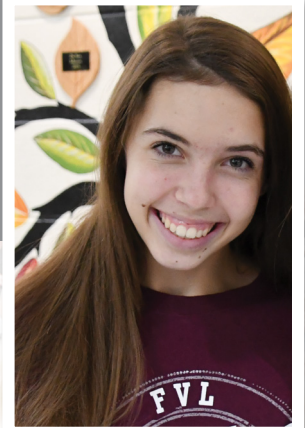

gave me. I am so thankful for these experiences.

This fall I will be attending St. Norbert College in De Pere. I plan to major in marketing as part of their honors program. **My goal is to graduate early thanks to the college credits I earned at FVL.**

Not only am I excited about the opportunities college will bring, I am also excited to now be one of over 8,000 FVL grads. **What a blessing to know there are thousands who share the same Christian education experience!** I am thankful to be connected with my brothers and sisters in Christ as part of the FVL family!

I'd like to thank all the alumni who have generously given their time and gifts to FVL as a way to impact the education of future generations. **Your support has allowed many teens to grow intellectually, emotionally, and, most importantly, spiritually.** I humbly ask that the alumni join me in giving back to support the ministry of FVL. Your generosity will allow FVL to continue spreading the good news to future generations.

—Ava Rachoner
